20. Every cow-keeper and dairyman shall cause every part of the interior of every cattle-shed or dairy in his occupation to be thoroughly cleansed from time to time and as often as may be necessary to secure that such places shall be at all times reasonably clean.

21. Every cow-keeper and dairyman shall cause the ceilings and the walls of the cattle-shed or dairy in his occupation to be properly lime-washed at least twice every year and at such other times as may be necessary:

Provided that this requirement shall not apply to such ceilings and walls for which lime-washing is unsuitable.

On every occasion when any such vessel shall have been used to contain milk or shall have been returned to him after having been out of his possession, he shall cause such vessel to be forthwith so cleansed.

26. *Protection of milk against infection or contamination.*—(i) Every purveyor, seller or retailer of milk shall take all reasonable and proper precaution in connection with the storage and distribution of milk and otherwise to prevent exposure of milk to any infection or contamination.

(ii) Every dairyman or seller of milk who causes his milk to be sold by a person other than himself shall be liable for any infringement of the by-laws by such person.

27. No purveyor, seller or retailer of milk shall deposit or keep any milk intended for sale—

(d) in any room or building or part of a building in which there is any untrapped inlet to any drain.

In May 1933 he was appointed temporarily as the Superintendent of the Chittagong Jail, where his work was highly appreciated.

Mr. Bemrose returned from leave in January, 1935, and was appointed Additional Superintendent of Police, 24-Parganas. At the beginning of 1937 there were numerous strikes in this district and when practically all the jute mills in the Barrackpore Sub-division were on strike, Mr. Bemrose was placed in charge of the police arrangements in that area. With over a hundred thousand workers on strike there was always a possibility of trouble and at times the position became most threatening and the fact that no serious breach of the peace took place was largely due to excellent police arrangements made by Mr. Bemrose. Towards the end of April, in the Tittagarh area, the strikers made attempts to compel the workers in the mills to join the strike and the police had to interfere. On 13th April 1937, some picketers attempted to rush into the Tittagarh Jute Mills to compel the workers there to go on strike. Mr. Lewisohn arrived at the spot and prevented trouble.

On 3rd May 1937, at considerable personal risk, he intervened in a riot at the Auckland Mill, although at that time he was alone. Mr. Lewisohn prevented the riot from spreading and on the arrival of reinforcements he arrested 35 of the rioters, thus preventing a serious riot.

Except to the extent indicated in paragraphs 2 and 3 below, the general principles on which the revised rates have been calculated are the same as were stated in the Resolutions referred to above.

2. (a) For the purpose of contribution for pension Government servants have been reclassified in the following six grades:—

STATEMENT OF OBJECTS AND REASONS.

Experience gained in the working of Debt Settlement Boards has shown that it is necessary to amend the Bengal Agricultural Debtors Act, 1935, in order to secure a more rapid disposal of cases, to preclude non-agriculturists from being treated as debtors under the Act, and in order to empower Boards to deal with cases involving usufructuary mortgages. The Bill seeks to simplify the procedure for Boards by reducing the number of preliminary notices to be issued (without, however, curtailing the time allowed for submission of statements of claims or debts). Provision is made to accelerate disposal by eliminating certain intervals at present prescribed between successive stages in the preliminary part of the proceedings and by providing for prompt payment of fees. The Bill prescribes a procedure for dealing with debts secured by usufructuary mortgages and for the restoration of the land to the debtor. The Bill seeks to strengthen the hands of Boards in dealing with creditors who refuse to accept an offer considered fair by a Special Board and a Special Appellate Officer, and further provides for removing certain anomalies in the jurisdiction of different Appellate Officers and for facilitating their work. Finally the Bill makes it clear that for purposes of sections 33 and 34 execution proceedings are deemed to be pending till the sale is confirmed.

Government are advised that as section 45 of the Act is framed, what is known as a one hundred *per cent.* audit is required to be made of the accounts of all estates; to carry this out requires unnecessary expenditure to the estates, and the section is proposed to be amended to permit of a suitable fractional audit.

NOTIFICATION

No. 2611 P S - 14th January 1939 —Whereas for the maintenance of law and order and for the prevention of breaches of the peace the Subdivisional Magistrate of Asansol issued an order, dated the 17th November 1938, under sub-section (1) of section 144 of the Code of Criminal Procedure, 1898 (Act V of 1898), forbidding persons employed by or working for, or previously employed by or working for, the Indian Standard Wagon Company, Limited, at the Santa Works, Burnpur, police-station Asansol, from carrying any lathi or other weapon of offence or any object which might be used as a weapon of offence, and from forming any assembly of more than four persons in any place within a radius of one mile from the said Works, subject to certain exceptions mentioned therein:

And whereas the validity of the original order was extended for a period of one month by a subsequent order, dated the 16th December 1938, issued under the said sub-section (1) by the said Subdivisional Magistrate

And whereas it appears to the Provincial Government that the conditions which gave rise to the original order are still obtaining, and that the carrying of lathis or other weapons of offence or any object which might be used as a weapon of offence and the forming of any assembly of four persons in the said place are likely to cause a riot or an affray and danger to human life,

Now, therefore, in exercise of the powers conferred by sub-section (6) of section 144 of the Code of Criminal Procedure 1898 (Act V of 1898), the Governor is pleased to direct that the said order shall remain in force for a further period of two months with effect from the 17th January 1939.

PART VI

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 7th December, 1938:—

L. A. BILL No. 25 OF 1938.

A Bill further to amend the Indian Tariff Act, 1934.

WHEREAS it is expedient further to amend the Indian Tariff Act, 1934, for the purpose of assisting the sale in India of wheat produced therein by imposing a temporary duty of customs on the importation of wheat; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Indian Tariff (Amendment) Act, 1939.

Amendment of First Schedule, Act XXXII of 1934.

2. In the First Schedule to the Indian Tariff Act, 1934—

XXXII of 1934

XXXII of 1934.

(a) after Item No. 10, the following item shall be inserted, namely:—

" 10 (1) | WHEAT | Protective | Re. 1-8 | . | .. | March, 31st, 1940",

(b) after Item No. 11, the following item shall be inserted, namely:—

" 11 (1) | WHEAT FLOUR | Protective | Re. 1-8 | | | March, 31st, 1940",

It is hereby declared that it is expedient in the public interest that the provisions of clause 2 of this Bill shall have immediate effect under the Provisional Collection of Taxes Act, 1931.

XVI of 1931.

*The Governor General has been pleased to accord the sanction required by section 67 of the Government of India Act as set out in the Ninth Schedule to the Government of India Act, 1935, and modified by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936.

STATEMENT OF OBJECTS AND REASONS.

Owing to the low price at which imported wheat is at present being landed at the principal ports in India, wheat produced in India is unable to compete with it at those ports and in the immediately adjacent areas. The extent of the annual demand for wheat in the areas in question is estimated at from 450,000 to 500,000 tons. At the present low level of world prices little Indian wheat can find an outlet in foreign markets, and it is the more desirable, therefore, that Indian wheat should not be excluded from a considerable part of the home market.

2. It is accordingly proposed to impose for a temporary period extending to the 31st March, 1940 a duty at the rate of Re. 1-8 per cwt. on wheat and wheat flour imported into India with effect from the date of the introduction of the Bill. This rate is sufficient to enable wheat from the principal wheat producing areas in the country to be sold at the principal ports in competition with imported wheat, and allows a margin to provide for a possible increase in the existing difference between the selling prices of home-grown and imported wheat in these markets.

In the matter of an election petition under Part III, paragraph 3 (read with other paragraphs of the said Part III) of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936, read with Part III, Rules 26, 27, and 28 and other Rules of the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, of the Bengal Electoral Conduct of Election Rules,

And

In the matter of **Khan Bahadur Haji Badi Ahmad Chowdhury**, M.L.C. (Ex), Chittagong, petitioner,

Versus

1. **Mr. Muhammad Anwar-ul-Azim**, Barrister-at-Law, Khan Bahadur, Anderkilla, Chittagong, opposite party.

2. **Maulvi Mastafizur Rahman Khan**, retired Deputy Magistrate, son of late Maulvi Faizullah Khan, of village Chunati, police-station Satkania, Chittagong.

3. **Maulvi Golam Sobhan Master**, son of late Munshi Nazir Ali, village Noapara, police-station Satkania, Chittagong.

4. **Khan Sahib Maulvi Abdul Hamid**, retired Lecturer, Chittagong Government Madrassah, village Satharia, police-station Patiya, Chittagong

(Nos. 2, 3 and 4), respondents.

This is an election petition filed under paragraph 3 of Part III of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936, hereinafter called the Order, by Khan Bahadur Haji Badi Ahmad Chowdhury of Chittagong against Mr. Muhammad Anwar-ul-Azim, Barrister-at-Law. Mr. Azim was the rival candidate of the petitioner in the Chittagong South Muhammadan Constituency at the bye-election held on the 9th and 10th March 1938. The other rival candidates at the bye-election, Maulvi Mastafizur Rahman Khan, Maulvi Golam Sobhan Master and Khan Sahib Maulvi Abdul Hamid, have been made parties to the petition as opposite parties Nos. 2, 3 and 4.

The petition contained numerous allegations of corrupt practices, but many of these allegations were vague in their nature and were unsupported by particulars. The charges relating thereto were, therefore, struck out from the petition during the preliminary stages of the hearing. Other allegations the petitioner decided not to press, with the result that, on the 15th July 1938, issues were framed only on the following points:—

(1) Did the respondent or his agent, or any other person with the connivance of the respondent or his agent, publish all or any of the pamphlets printed as annexures A and A(1) to the petition, and the first pamphlet printed on page 184 of the *Calcutta Gazette Extra-ordinary* of the 23rd June 1938? If so, does such publication amount to a corrupt practice within the meaning of paragraph 5 of Part I of the Corrupt Practices Schedule?

(2) Has the return of election expenses been made in proper form? In this connection, have the allegations made in paragraph 12 of the petition been established? If so, has the respondent thereby incurred any disqualification?

(3) Is the return of election expenses false in any material particular as alleged in paragraph 8(*vi*) (renumbered 8C) of the petition and the particulars furnished in connection therewith as amended this day? If so, has the respondent incurred any disqualification thereby?

(4) To what relief, if any, is the petitioner entitled?

At a later stage in the proceedings the petitioner was unable to furnish the particulars required to enable him to substantiate the allegations covered by the first issue which he decided not to press. This issue is, therefore, decided against the petitioner.

As regards issue No. 2, the case for the petitioner is that the respondent's return of election expenses was not lodged in the form required by the provisions of the law relating to this matter, and it is urged on his behalf that the respondent has thereby become disqualified for being a member of the Provincial Legislative Assembly.

The relevant provision of the Government of India Act with regard to returns of election expenses is contained in section 69(*I*) (*f*), which provides that a person shall be disqualified for being a member of a Provincial Legislative Assembly who, having been nominated as a candidate for such Assembly, has failed to lodge a return of election expenses within the time and in the manner required by any Order in Council made under the Act, unless five years have elapsed from the date by which the return ought to have been lodged or the Governor, acting in his discretion, has removed the disqualification. The Order was published as an Order in Council on the 3rd July 1936, and paragraph 5 of Part II of this Order provides that every return of election expenses shall be in such form and shall contain such particulars as may be prescribed and shall be accompanied by declarations in the prescribed form by the candidate and his agent made on oath before a Magistrate.

Under paragraph 20 of the Fifth Schedule to the Government of India Act, power is given to the Governor exercising his individual judgment to make rules with respect to certain matters including the expenses of candidates at elections. The rules which have been prescribed in this connection by the Governor are contained in the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936. The form in which the return of election expenses should be lodged has been prescribed under paragraph 7(2) of Part I of the Rules and Schedule I thereto annexed.

In our opinion there can be no doubt that the respondent's return of election expenses is defective in many respects and he himself admits that it was carelessly prepared. In the first place, the form relating to receipts has been left blank. In this form must be shown all monies, securities and equivalents of money received from any person, including the candidate himself, in respect of any expenses whether paid or remaining unpaid, incurred on account of, or in connection with, or incidental to, the election. Admittedly certain sums of money were expended by the candidate himself in connection with his election, and these sums should, therefore, have been shown in this portion of the return. It is also in evidence that certain small sums of money were spent on his behalf in connection with the election by some personal friends of his, for instance by Maulvi Ehsanul Huque and Maulvi Abdul Latif. These sums were not repaid by him and, however insignificant they may have appeared to be to the candidate, they should nevertheless have been entered on the receipt side of his return of election expenses.

There are similar defects as regards the expense side of the return. In this connection, Note 2 of the form prescribed for expenses is important. This Note is in the following terms:—Each payment made shall be entered separately, except payments on account of postage and telegrams for which lump sums may be shown. The name and description of each person paid and the work done or the nature of the goods supplied shall be shown in respect of each payment.

As regards Part A of the return, admittedly the sum of Rs. 150 on account of motor hire which was paid to Badiur Rahman, was paid in two instalments; only one payment of Rs. 150 has, however, been shown. This is not in accordance with the directions contained in Note 2 mentioned above. Similarly it is clear from the evidence that the respondent made a number of railway journeys with a servant on

different dates; payments on account of these journeys should have been shown separately and not in a lump sum as has been done.

Part B of the return is open to the gravest possible objection on account of the manner in which it has been prepared. This part of the return mentions a number of lump sum payments to various persons who worked as the respondent's agents; but neither in Part B of the return nor in the supporting vouchers are details forthcoming as to the nature of the work done by these persons nor the account on which the payments were made. We find, for instance, that one of these items relates to a lump sum payment of Rs. 260 which was paid to a pleader named Fazlur Rahaman Khan. During the course of the evidence it transpired that most of this sum was paid to the pleader in question as remuneration for the loss of his professional fees, whereas only a small portion of the sum represented payment to him on account of his out-of-pocket expenses. The same observations apply to two other payments, of Rs. 220 and Rs. 18, respectively, which were made to two other pleaders, Maulvi Ibrahim and Manir Ahmed. This part of the return also mentions payments of considerable sums of money in lump sums to agents on account of payment to canvassers and organisation of meetings; but neither the return itself nor the supporting vouchers contain any information as to the meetings which were organised, the canvassers who were paid, or how the money was spent.

A return which has been prepared in this manner can only be described as unsatisfactory in the highest degree. The law contemplates that full details should be given as to the nature of all expenses incurred in connection with a candidate's election, and it is only in the case of the cost of postage and telegrams that lump sum entries are permitted. If lump sum entries were permissible in other parts of the return, it would be possible for candidates to use considerable sums of money in furtherance of corrupt practices under the election law without running the risk of such practices being detected on a scrutiny of their accounts. Although it has not been established that any corrupt practice was actually committed by the returned candidate, we cannot but regard the manner in which his return of election expenses was prepared as open to the gravest possible objection on account of its failure to show any detailed expenditure with regard to some of its most important items.

Similarly Part E of the return has not been properly prepared. This Part contains an entry to the effect that the printing work in connection with the election was done in the respondent's own press; so no cost was incurred under this head. Admittedly certain posters, voting cards and papers containing instructions to voters were printed by the respondent in his own press in connection with his election, and a special issue of a newspaper called "The Sunity" was also printed in that press on his behalf, which contained requests to people in the constituency to vote for him. It is clear that expenditure was incurred on this account, which should have been shown in Part E of the return, but this has not been done.

A similar question with regard to the preparation of Part E of the return arose for our consideration in connection with the case of Maulvi Habibur Rahman Chowdhury *versus* Nawab Sir K. G. M. Farouqi, Kt., and in our report in that case we observed that it must have been the intention of the framers of the rules that the printing work done on behalf of a candidate should be properly described in the column headed "On what account" in Part E; in other words, details in respect of each electioneering pamphlet and other items of printing should be mentioned, in connection with which the candidate may have incurred expenditure. To that view we adhere, and we must find that Part E of the respondent's return of election expenses is defective as it does not contain the details required by law.

Further with regard to the matters mentioned in this report it appears that the accounts, on which the return is ostensibly based, have not been regularly and methodically maintained and are practically valueless for the purpose of elucidating details of the expenditure connected with the items to which we have referred.

It was argued on behalf of the respondent that as the submission of a defective return of a candidate's election expenses does not amount to a corrupt practice under the First Schedule to the Order, the Commissioners have no jurisdiction to come to a finding in their report with reference to this matter. We are, however, unable to accept this contention. Under the provisions of paragraph 3 of Part III of the Order, an elector is entitled to present an election petition to the Governor "on any ground". The language used in this paragraph is, in our opinion, clearly wide enough to include a ground

to the effect that the return of election expenses has not been made in proper form. Paragraph 4 of Part III of the Order provides that, unless the Governor exercising his individual judgment dismisses a petition for non-compliance with the prescribed requirements, he shall exercising his individual judgment appoint Commissioners for the trial of the petition. The procedure to be followed by the Commissioners at an inquiry has been prescribed in Rule 31, which provides that each election petition shall be enquired into by the Commissioners, as nearly as may be, in accordance with the procedure applicable under the Code of Civil Procedure, 1908, to the trial of suits. It, therefore, follows that, subject to the provisions of the Code of Civil Procedure, issues must be framed with regard to any ground which the petitioner desires to press and the Commissioners must arrive at a finding on each issue. It is, of course, only in certain circumstances such as those which have been detailed in paragraph 7 of Part III of the Order, that the Commissioners may find that the election of a candidate is void; but, in our opinion, they have full jurisdiction to come to a decision on any matter raised in the petition which, although it may not amount to a corrupt practice, may nevertheless involve a disqualification under the provisions of the Government of India Act. In this connection we cannot but regard irregularities connected with a candidate's return of election expenses as matters of great importance in the trial of an election petition and we consider it our duty to go into such matters carefully when they are raised.

Our finding is that issue No. 2 must be decided against the respondent. We find that, although he was duly elected at the bye-election for this constituency which took place on the 9th and 10th March 1938, he incurred a subsequent disqualification under the provisions of section 69(1)(f) of the Government of India Act by reason of the fact that he failed to lodge a return of his election expenses in the manner required by law. He is, therefore, disqualified for being a member of the Provincial Legislative Assembly for five years unless the Governor acting in his discretion removes the disqualification. He has similarly committed a default in making the return within the meaning of paragraph 5 of Part IV of the Order, which disqualifies him for voting at any election for a period of five years unless this disqualification is moved by the Governor under paragraph 8 of that part of the Order.

As regards issue No. 3, the case for the petitioner is that the respondent's return of election expenses is false in certain material particulars because the expenses incurred by certain persons who were working on his behalf in connection with the election have not been entered in the return. With regard to this allegation, we do not propose to discuss in detail the testimony of the witnesses which is conflicting and unconvincing in its nature. The most that can be said is that it has been established that certain insignificant sums were expended by certain persons on behalf of the respondent in connection with the latter's election campaign, but owing to the smallness of the sums in question they did not think it worthwhile to recover them from the respondent. In our opinion, the omission to mention these trifling sums in the return, although irregular, would not be sufficient to constitute the return false in material particulars; and we, therefore, decide this issue in favour of the respondent.

The result is that we find that the corrupt practices mentioned in the petition have not been established and that in our view the respondent was duly elected for the Chittagong South Muhammadan Constituency at the bye-election held on the 9th and 10th March 1938. It has, however, been established that owing to his failure to lodge his return of election expenses after his election in the manner required by law he has become disqualified for being a member of the Provincial Legislative Assembly for a period of five years and for voting at any election for a similar period. Whether or not this disqualification should be removed is a matter for the consideration of His Excellency the Governor acting in his discretion.

We recommend that the parties to this petition should be directed to bear their own costs.

2. The Posts specified in the Schedule to these Rules (hereinafter referred to as "reserved posts") shall be filled either by members of the Indian Civil Service or by persons, not being members of the Indian Civil Service, appointed in accordance with the provisions of these Rules:

Provided that if at any one time two of the said posts allocated to the Legislative Department of the Central Government are held by members of the Indian Civil Service, the third post so allocated shall be deemed for the time being not to be a reserved post.

3. The Governor, with the previous approval of the Secretary of State, may by Notification in the Official Gazette declare that such number of the superior reserved posts allocated to his Province as may be specified in the Notification may be filled by persons who are not members of the Indian Civil Service, and posts in respect of which such a declaration has been made are hereinafter referred to as "listed posts".
